**WHAT IS A GREAT START  
CHILD CARE REGIONAL  
RESOURCE CENTER ?**

# Elements of a Great Start Child Care Regional Resource Center (RRC)

The RRC provides an intersection where families, early care and education providers, and the community can come together in a supported and coordinated way.

Families

- Finding quality child care and/or education
- Understanding what quality means
- Parenting resources
- Advocacy for children and families

Early Care Providers  
and Teachers

- Technical assistance and quality improvement
- Professional development
- Referrals and business development
- Data analysis and resource development
- Advocacy for early care and education

Community

- Coordination with partners
- Data collection and assimilation
- Consumer education
- Workforce development

# Early Care and Education for the GSC and Parent Coalition

For Great Start Collaboratives and Parent Coalitions, the RRC fits into the point of the star dedicated to Early Care and Education goals and objectives

## Integrating the Improvement Plan with the Strategic Plan

# The RRC Improvement Team

To develop an RRC plan that includes all stakeholders in a region

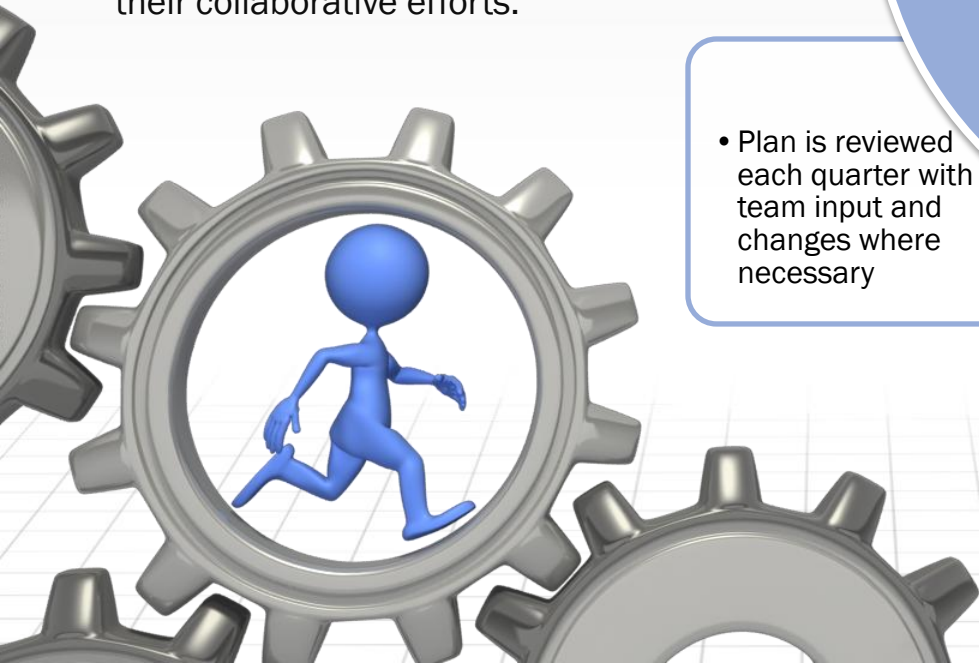

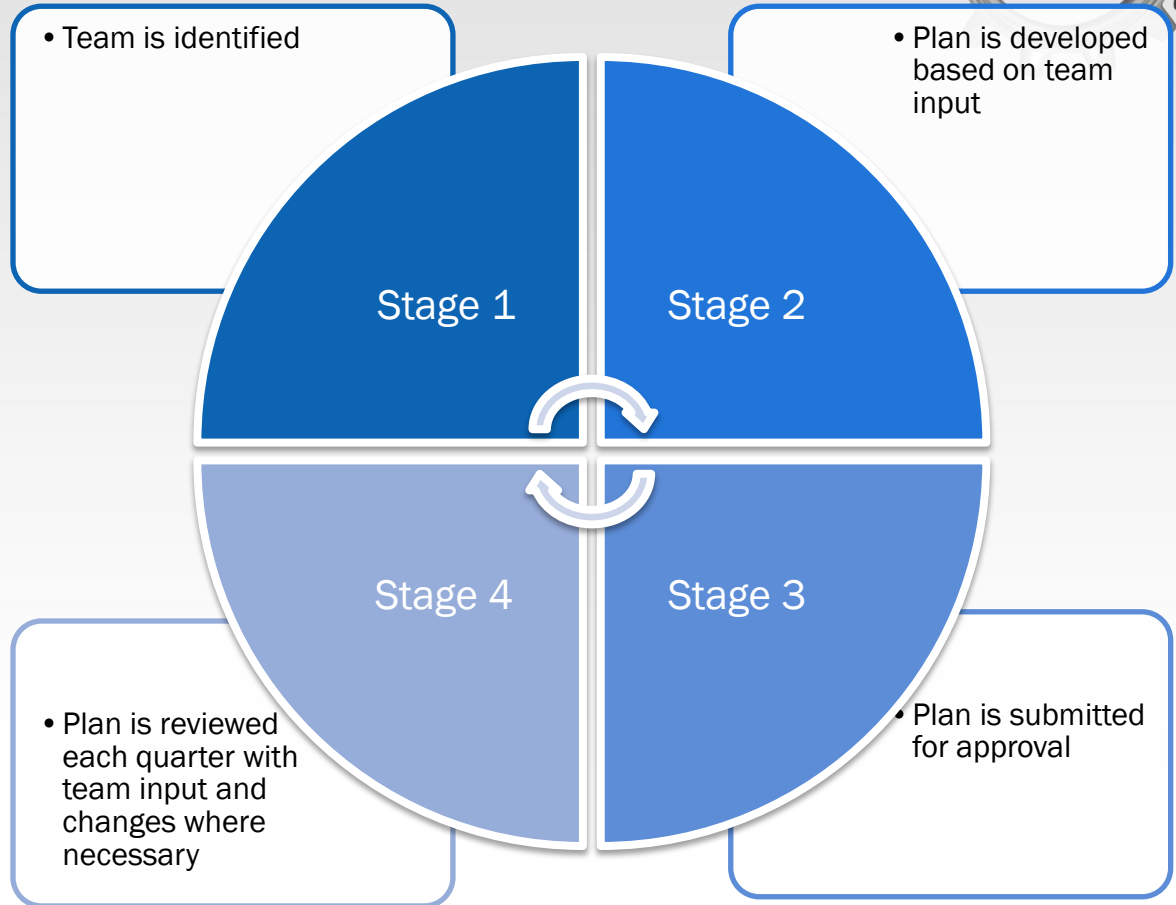

- Parents
- Early care providers and teachers
- Community Partners

- Great Start RRC Program Directors
- Great Start GSC Directors or Chairs
- Great Start Parent Liaisons or Members

## Development of an RRC Improvement Plan

- Each RRC identifies a team made up of regional representatives that include GSC directors OR Early Care and Education Chairs and GSPC Liaisons.
- These members bring the GSC and GSPC perspective to the Improvement Plan to assure it makes sense for their collaborative efforts.

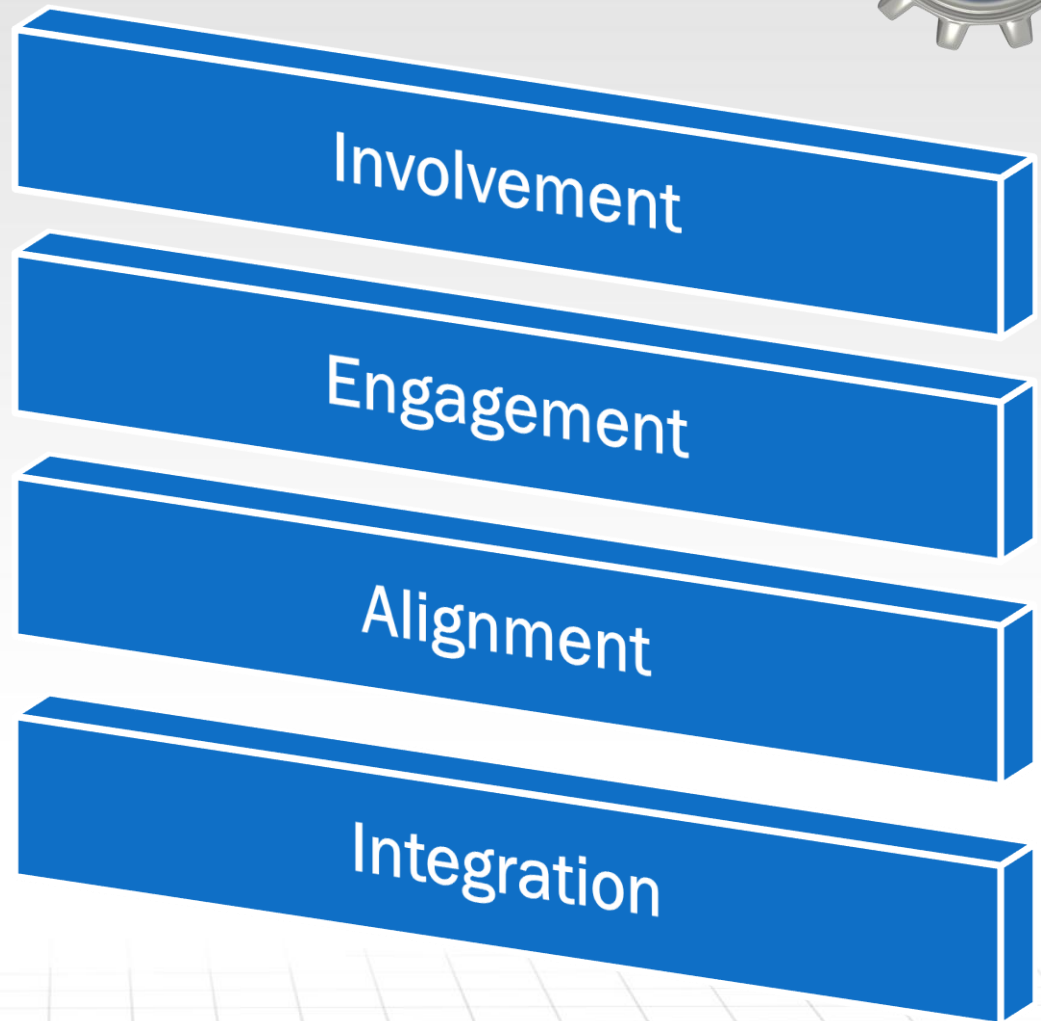

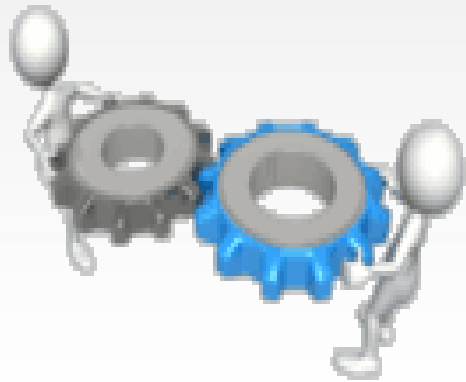

## The Role of the RRC Director

- Implement the improvement plan
- Manage RRC staff and budget
- Provide reports to ECIC
- Communicate with partners
- Communicate with improvement team members
- Facilitate improvement team meetings
